This bulletin provides information about your financial aid award and its determination. You are responsible for this material as well as the information in the TU Financial Aid Award Letter.

**IMPORTANT FACTS TO KNOW**

- Federal regulations require universities to make student consumer information available to prospective and current students concerning graduation rates, default rates, campus safety, average indebtedness and certain information pertaining to NCAA athletic participation. This information may be obtained from the Office of Student Financial Services at [www.utulsa.edu/financialaid](http://www.utulsa.edu/financialaid). A paper copy will be provided upon request.

- All returning students must have a valid TU email address. You will receive all correspondence from the Office of Student Financial Services via your TU email account.

- Read your Award Letter carefully. Electronically accept your award on the TU portal.

- **Immediately**, report any non-TU scholarship(s) received to the Office of Student Financial Services. This may affect eligibility for current funding.

- **Immediately**, report any change in your enrollment or living situation, e.g. part-time enrollment rather than full-time enrollment or commuting from home rather than living on campus, to the Office of Student Financial Services.

- If you are interested in applying for summer federal aid, you need to complete a Summer Financial Aid Application and submit it to the Office of Student Financial Services.

- Financial aid records are protected in accordance with the Family Education Rights and Privacy Act (FERPA) of 1974, as amended. If you would like the university to share your information with a family member, complete the FERPA form available at [https://canelink.utulsa.edu](https://canelink.utulsa.edu).

- TU Scholarships do not apply to summer enrollment.

- Students should have personal funds available to meet initial expenses such as books and supplies.

- Students must accept their federal direct loans prior to the last day of the semester in order to receive their loans.
TU AWARD PROCESS

Financial aid at TU is awarded on a combination of academic achievement and financial need.

Selection
Scholarship candidates are evaluated on a competitive basis. A number of factors are reviewed in selecting a student to receive an award. For new entering students, of prime importance are the student’s academic record and the results of national testing programs. Candidates for federal aid programs are evaluated based on financial need, as determined by the FAFSA (Free Application for Federal Student Aid).

Award Value
The amount of aid offered to a student is determined by demonstrated financial need. Financial need is the difference between the amount of money the student and parent(s) can contribute from income and assets (based upon a congressionally approved analysis) and the cost of attending TU, less outside awards.

Award Package
At the time your application was reviewed, you were automatically considered for all categories of aid, including scholarships, grants, loans and employment. It is the responsibility of the Office of Student Financial Services to determine your eligibility and assign awards appropriate to your needs.

TU reserves the right to reduce or rescind award packages if federal allocations to the university are insufficient to cover expenditures. Outside sources of assistance may be estimated and may change when the award is finalized.

The student budget models used for the determination of financial aid eligibility are based on the “modest but adequate” concept and include both fixed and variable expenses. No provision is made for expenses that are not directly related to your college attendance. These are the three budget models:

Resident – The student resides in a university residence hall and contracts for a university meal plan. University apartments and fraternities are considered off-campus for cost of attendance purposes.

Commuter – The student resides with a parent or other relative. Freshmen and sophomores must abide by university housing policies.

Off-Campus – The student commutes from and resides in off-campus housing (not owned by a parent or relative). University Apartments and fraternities are considered off-campus for cost of attendance purposes.

The financial aid budget is calculated as full-time. If you enroll in fewer than 12 hours, you need to submit a written statement to the Office of Student Financial Services indicating you will be a less than full-time student. Your financial aid package will be adjusted to reflect your less than full-time status. Living arrangements reported on the FAFSA will determine your cost of attendance budget. If you change your living status after completing the FAFSA you need to contact the Office of Student Financial Services in writing to adjust your cost of attendance budget. Enrollment in audit classes DOES NOT count toward eligibility for financial assistance. If aid is advanced to you for which you are not or were not eligible, you will be required to repay that amount, possibly with interest.

Renewal of Awards
Financial aid awards are determined annually. You must reapply for federal aid each year you wish to receive assistance. Renewal of aid beyond the first year depends upon your academic record and your continued need as based on the most recent financial information. If you have attended TU for 8 semesters, have not yet obtained a degree from The University of Tulsa, and are still in good standing academically for the academic scholarship, you may submit an appeal to Student Financial Services to have your scholarship funds renewed. If the appeal is approved, your scholarships will be renewed at 50% of scholarship eligibility for no more than 2 additional semesters during your fifth year of study. Student Financial Services reserve the right to ask for a degree audit. You will be notified in writing if the appeal is approved or denied. Timely submission of the FAFSA and all information requested is required for renewal.
DEFINITION OF AWARDS AND DISBURSEMENT PROCEDURES FOR FINANCIAL AID
Available only to full-time undergraduate students (12 or more credits per semester).

Unless otherwise noted, the amount(s) listed on the Award Letter are yearly awards with one-half applicable to the fall semester and one-half applicable to the spring semester. The single exception is the Federal Work-Study Program which is received in bi-weekly paychecks as earned. Since a student must earn the Work-Study award this amount is not available to be applied towards your account.

UNIVERSITY SCHOLARSHIPS

TU scholarships and grants, unless specifically stated, may be applied only toward tuition for full-time, degree seeking students. Adjustments will be in both gift aid (grants/scholarships) and self-help aid (work/loans).

TU’s match is limited to tuition expenses for fall and spring semesters only. Students must meet all eligibility requirements that are necessary to receive Oklahoma’s Promise. Students must have originally applied and been approved for Oklahoma’s Promise during their 8th, 9th, or 10th grade year in high school. All entering, first time freshmen receiving Oklahoma’s Promise are required to file a FAFSA and are subject to a second income check. Recipients must also meet program cumulative gpa requirements. Renewal of the Hurricane Pledge is dependent on renewal of Oklahoma’s Promise funds.

TEACH Grant (Teacher Education Assistance for College and Higher Education Grant) – This grant is for students who are completing or who plan to complete coursework that is required to begin a career in teaching and who agree to teach full-time for at least four years as a highly qualified teacher; at a school or educational service agency servicing low income students and in a high need field. The four years of teaching must be completed within eight years after you complete or otherwise cease to be enrolled in the program for which you received a TEACH Grant. This teaching requirement is known as your TEACH Grant obligation. In order to qualify for a TEACH Grant as an entering college student, you must be making a 3.25 GPA or be in the 75th percentile on admission tests (i.e., SAT, ACT, GRE). Students must maintain a 3.25 GPA during the course of receiving the grant. Prior to receiving your TEACH Grant, a student must complete an Agreement to Serve (ATS) for that year. This is done at https://teach-ats.ed.gov. The session consists of a TEACH Grant Overview and 3 additional sections that cover: (1) TEACH Grant ATS, (2) Service Obligations, (3) Conversion of a TEACH Grant to a loan. Students may receive approximately $3,800/yr. for their first undergraduate program with the maximum allowed being $16,000. Graduate students may receive approximately $3,800/yr. with the maximum of $8,000. This award is only available for the fall and spring and the student must incur university housing charges. Value equals $2,000. Important! If you are a student athlete you must contact The University of Tulsa Athletic Compliance Office to determine if you are eligible to receive this grant per NCAA rules.
STATE FUNDS

Oklahoma Tuition Aid Grant (OTAG) – Oklahoma residents may qualify for awards up to $1,300. Application is made by completing the FAFSA. Early application is important, as funding is limited. Before OTAG awards are disbursed, Oklahoma residency will be verified by the Office of Student Financial Services, using the State Regents policy for determining residency. **The FAFSA must be received by the processing center as soon as possible after October 1 as funds are awarded on a first-come, first-served basis until depleted.** OTAG is billed after the 3rd week of classes. Funds will credit the student’s account upon receipt of the check from the State Treasurer’s Office. Students who are not Oklahoma residents are encouraged to contact their home state to inquire about the availability of grant assistance.

Oklahoma Tuition Equalization Grant (OTEG) – Oklahoma residents meeting certain income categories may receive $2,000 in assistance. These recipients are chosen by TU according to regulations. Funding is limited and may be used to offset university scholarships. Application is made through the FAFSA. This grant is a need-based grant and renewability depends on the family’s income. OTEG is billed after the 3rd week of classes. Funds will credit the student’s account upon receipt of the check from the State Treasurer’s Office.

Oklahoma’s Promise – To receive Oklahoma’s Promise, a student must have applied during their 8th, 9th or 10th grade year of high school. They must be an Oklahoma resident and have completed the school requirements as set by the program. Beginning in 2000 students could not sign up for the program unless their AGI was $50,000 or less. Starting with the 2017-2018 applicants their AGI is increased up to $55,000 and in 2021-2022 their AGI is increased to $60,000. If approved for the program a student must inform the college that they are an Oklahoma Promise participant. At the time of entering college, a second income verification is made. If the adjusted gross income is over $100,000 at that time, you will not have eligibility. Eligibility ends once a student earns a baccalaureate degree or five years after you start college, whichever comes first. Effective July 1, 2017, all Oklahoma’s Promise students must meet the Satisfactory Academic Progress (SAP) requirements set by the college. If you become ineligible for federal financial aid (like Pell grants and federal student loans) due to not meeting SAP requirements, you will also not receive Oklahoma’s Promise. Oklahoma’s Promise is billed after the 3rd week of classes. Funds will credit the student’s account upon receipt of the check from the State Treasurer’s Office.

Beginning 2018-2019 every Oklahoma’s Promise student will be required to file a FAFSA and then $100,000 income verification based on Adjusted Gross Income (AGI) will be performed. A student may go in and out of eligibility due to the income changing. Students can regain eligibility in future years if their income levels meet program eligibility requirements.

Oklahoma Academic Scholars (OKAC) - The State of Oklahoma awards scholarships to academically outstanding students who plan to attend an Oklahoma public or private college or university. Scholarship funding may be received for eight semesters if the student meets the requirements established by the State of Oklahoma. First year students must complete the application provided by the Oklahoma State Regents for Higher Education. A minimum cumulative gpa of 3.25 and completion of 24 credit hours per academic year is required to receive Oklahoma Academic Scholars funding. A roster verifying full-time enrollment and cumulative gpa is submitted to the Oklahoma State Regents for Higher Education upon the third week of class each semester. Funds will credit the student’s account upon receipt of the check from the State Treasurer’s Office.
VETERANS’ INFORMATION

If you served on Active Duty, you might be eligible for education benefits offered by the Department of Veterans Affairs. For example, the Post-9/11 GI Bill provides financial support for educational and housing expenses to individuals with at least 90 days of aggregate service after September 10, 2001, or individuals discharged with a service-connected disability after 30 days. You must have received an honorable discharge to be eligible for the Post-9/11 GI Bill.

If you are currently serving in the military, you may be eligible for funding offered through the Department of Defense Tuition Assistance program. Check your eligibility status and the amount for which you qualify with your Service prior to enrolling.

If you are the spouse or child of a service member who is serving on active duty Title 10 orders in the paygrades of E1-E5, O1-O2, or W1-W2, you may be eligible for financial assistance from the Department of Defense for education, training, and/or the occupational license and credentials necessary for a portable career.

If you are the spouse or child of a service member, you may be eligible for transfer of the service member’s Post-9/11 GI Bill benefits to you.

For more information about the above, please contact Cindy Watts, Associate Registrar, at 918-631-3985 or cindy-watts@utulsa.edu.

The University of Tulsa provides educational plans for all individuals using federal military and veteran’s educational benefits that detail the general degree requirements, the education plan, and for transfer students, the evaluated educational plan. Please contact the Academic Advising Offices for information regarding these plans or any other questions you may have regarding your degree.
**EMPLOYMENT**

**Federal Work-Study Program** – Throughout the year, the Office of Student Financial Services lists employment opportunities at [http://www.utulsa.edu/financial-aid/jobs](http://www.utulsa.edu/financial-aid/jobs). In addition to on-campus jobs, a number of jobs are available in community service agencies throughout Tulsa. It is the responsibility of the student to find employment and to work enough hours to earn the award. Hourly wage rates for all campus student employees begin at minimum wage. A common work week is 11 to 12 hours. Students will be paid bi-weekly as funds are earned. Earnings are paid directly to the student through direct deposit. Therefore, the Federal Work-Study award is not available to be applied towards your account. If the award is needed to help with the student’s bill, a payment plan must be set up with the Bursar’s Office. Arrangements for direct deposit should be made through the payroll office. Earnings through the Federal Work-Study Program are taxable and will be reported to the IRS. New students must attend a Work Study session during Orientation in August. Additionally, new Federal Work-Study students are required to complete an I-9 and W-4 form through the Office of Human Resources and Risk Management prior to beginning their employment. Since Work-Study funding is limited, it is important to apply early while funds are available.

To secure employment:

- File the FAFSA early. This either qualifies or disqualifies you for the federal work-study program. This has to be done annually.

- You will receive an award letter from Student Financial Services indicating if you federal work-study eligibility. If you have eligibility the work study positions can be found on: [https://portal.utulsa.edu/offices/financial-aid/_layouts/15/start.aspx#SitePages/Federal%20Work%20Study%20Positions.aspx](https://portal.utulsa.edu/offices/financial-aid/_layouts/15/start.aspx#SitePages/Federal%20Work%20Study%20Positions.aspx)

- Click on the department you wish to review to find your position.

- Contact the Supervisor listed on the position you choose and set up an interview.

- The Supervisor will have a Hiring Form for you to complete with their department and you will then need to go to Human Resources in Fisher Hall and complete the necessary payroll paperwork, which will include completing a direct deposit form for your earnings to credit to the account of your choice.
**IMPORTANT DEADLINE** You must be sure to complete ALL steps outlined below on or before 09/28/2017 to ensure you will receive your Perkins Loan funds for 2017-18.

**Federal Perkins Loan** – This loan is funded by the federal government. TU adds a matching share plus repayments from alumni. Aggregate loan limits are established at $60,000 for graduate students (including undergraduate Perkins Loan amounts), $11,000 for freshmen/sophomore undergraduates and $27,500 for junior/senior undergraduates. The maximum annual loan limit amount is up to $8,000 for a graduate student or up to $5,500 for an undergraduate student. The amount of the loan awarded to you depends on your financial need and the availability of funds at TU. Since Perkins Loan funds are limited, it is important you accept or decline your Perkins Loan in a timely fashion. You can do so by electronically accepting your award on the TU Portal.

NOTE: TU reserves the right to rescind Perkins Loan eligibility.

This information is effective for the Perkins Loan Program for the 2016-2017 academic year through September 30, 2017.

**Federal Perkins Loan Program Extension Act of 2015 (the Extension Act), enacted on December 18, 2015**, extends the Perkins Loan Program through September 30, 2017. Per the changes in the Extension Act, effective December 18, 2015, schools participating in the Perkins Loan Program may make Perkins Loans as specified below:

**Undergraduate Students Only**

Below is Perkins information that was in effect for the 2015-2016 academic year and was not made available to freshmen, sophomores or transfers.

The first Perkins Loan disbursement must be accepted and funds posted to the borrower’s student account in the TU Bursar’s Office PRIOR to September 30, 2015. If the deadline is missed, and according to federal regulations as it relates in the case of the Perkins wind down as of September 30, 2015, a school may make a new Perkins Loan to a student after September 30, 2015, if ALL of the following conditions are met:
1. The school made at least one Perkins Loan disbursement to the student on or before June 30, 2015.

2. The student is enrolled at the same institution where the last Perkins Loan disbursement was received. For example, a student who received a Perkins Loan disbursement for enrollment at School A, and then received a Perkins Loan disbursement at School B would be considered to be an eligible borrower at School B, provided all other conditions are met, but not for a subsequent enrollment at School A.

3. The student is enrolled in the same academic program for which the student received his or her last Perkins Loan disbursement. We consider an academic program to be the same program only if the first four digits of the program’s Classification of Instructional Program (CIP) code are identical to the first four digits of the CIP code for the program for which the student received his or her last Perkins Loan disbursement.

4. A Perkins Loan can be made to an eligible student to meet all or some of the student’s unmet need only after the student has been awarded all Direct Subsidized Loan aid for which the student is eligible.

TU’s Perkins Loan electronic signature process is administered through University Accounting Services (UAS is TU’s billing processor) for borrowers to sign their Perkins Master Promissory Note (MPN) and complete loan counseling. A new borrower will be required to sign a MPN and complete loan counseling. Note: You will complete the MPN only once, but will be required to complete loan counseling each academic year.

After you electronically accept your award on the TU Portal, you will receive an email from SignMyLoan@signmyloan.com providing instructions on how to complete the acceptance process at signmyloan.com. You will not be able to sign your MPN or complete loan counseling until you receive an email from SignMyLoan. As a returning borrower, you do not have to complete a new MPN. When the TU Bursar’s Office receives notification you have completed your acceptance process, then your Perkins Loan funds will be posted to your student account in the TU Bursar’s Office no earlier than the first day of class each semester.

If you complete the acceptance process after the first day of class, the TU Bursar’s Office will review weekly all notifications from signmyloan.com. Your Perkins Loan funds will post to your student Bursar account once notification is received. If the acceptance process is not completed before the end of the semester, the Perkins Loan will be cancelled. Mid-year borrowers will follow the same process as stated above for returning borrowers.

A Perkins Loan borrower must complete exit counseling prior to leaving TU at signmyloan.com. Repayment is made to UAS and begins 9 months after the borrower ceases to be enrolled at least half-time. The Perkins Loan interest rate is fixed at 5% at repayment. Perkins Loan forgiveness, cancellation or discharge is allowable under certain circumstances. The following links provide information regarding Perkins Loan forgiveness and cancellation opportunities: usaservice.com and https://studentaid.ed.gov/sa/repay-loans/understand/plans.

If you are having trouble making payments on your Perkins Loan, immediately contact the TU Bursar’s Office at 918-631-2606. If you default on your Perkins Loan, the credit bureau must be notified.

Direct Subsidized/Unsubsidized Loans – A FAFSA must be filed before TU can determine eligibility for Direct Loans. To qualify for a Direct Subsidized Loan, a student must exhibit financial need as determined by their FAFSA. Students exhibiting no financial need, or no remaining need after other aid sources, may qualify to borrow a Direct Unsubsidized Loan. Aggregate loan amounts for dependent undergraduate students are $31,000 (not to exceed $23,000 in Direct Subsidized Loan funds). Aggregate loan amounts for independent undergraduate students are $57,500 (not to exceed $23,000 in Direct Subsidized Loan funds). Aggregate loan amounts for graduate/professional students are $138,500 (not to exceed $65,500 in Direct Subsidized Loan funds). As of 7/1/13, a new provision was added to the Direct Loan requirements that limit a first-time borrower’s eligibility for Direct Subsidized Loans to a period not to exceed 150 percent of the length of the borrower’s educational program. Only first-time borrowers on or after 7/1/13 are subject to the new provision.
The current interest rate for Direct Subsidized/Unsubsidized Loans is determined each June for new loans being processed for the upcoming award year, which runs from July 1 to the following June 30. The fixed interest rate will be for the life of the loan. The government will deduct an origination (processing) fee from each Direct Subsidized/Unsubsidized Loan disbursement. Refer to https://studentaid.ed.gov/sa/types/loans/interest-rates for the actual interest rate and origination fee for your Direct Subsidized/Unsubsidized Loans. The federal government pays the interest on a Direct Subsidized Loan while a student attends school at least half-time, during the first six months of repayment once a student graduates or drops below half-time enrollment (referred to as a grace period), and during a deferment period. Direct Unsubsidized Loans begin accruing interest at the time the loan disburses. A student may defer the interest payment or may choose to pay the interest quarterly.

Prior to receiving the first loan disbursement, borrowers are required to electronically accept the award(s) on the TU Portal, complete entrance counseling and an electronic Master Promissory Note (MPN) at studentloans.gov. Both documents must be completed before funds are received at TU. A Direct Subsidized/Unsubsidized MPN is valid for ten years. Direct Subsidized/Unsubsidized Loans are made in two equal disbursements for a two-semester loan. At least one-half of the loan period must elapse before the second disbursement can be released. Direct Subsidized/Unsubsidized Loans credit to the student’s Bursar account no earlier than the first day of class each semester. A disbursement funds letter will be emailed to the student’s TU email address when funds credit. A student has the right to cancel all or any portion of the loan within 14 days of the loan crediting their student Bursar account. It is the student’s responsibility to notify the Office of Student Financial Services, in writing, if they wish to reduce or cancel their student loan(s). Repayment begins six months after the student ceases to be enrolled at least half-time. Exit counseling is required upon leaving the university. Refer to https://studentaid.ed.gov/sa/repay-loans/understand/plans for repayment plans.

**Direct Parent PLUS Loan** – A FAFSA must be filed on behalf of the student (listing TU’s school code 003185) before TU can determine eligibility for a Direct Parent PLUS Loan (PLUS). Only a parent (or a stepparent whose income was supplied on the FAFSA) of a dependent student can apply for this loan. (Note: An independent undergraduate student only has the option to apply for a private loan.) To request a PLUS loan, the parent must log into studentloans.gov, click on “Apply for a Direct PLUS Loan” and select “START Direct PLUS Loan Application for Parents.”

The PLUS loan is administered by the U.S. Department of Education and approval is based on the absence of adverse credit within the last five years, not credit worthiness. The U.S. Department of Education will run a credit check and notify the parent and the Office of Student Financial Services of the credit decision. If the PLUS loan is approved, the parent may complete and sign the electronic PLUS Master Promissory Note (MPN) at the completion of the application process or at a later date at the above website. The PLUS MPN is valid for loans made for a dependent student and is valid for ten years. If the PLUS loan is denied, the student has the option of accepting an additional Direct Unsubsidized Loan up to $4,000 annually for freshmen and sophomores or up to $5,000 annually for juniors and seniors. If the PLUS loan is later approved due to a credit appeal or an approved endorser, the additional Direct Unsubsidized Loan will be cancelled and the PLUS loan processed. If approved with an endorser, the PLUS MPN cannot be used for multiple PLUS loans, but is only good for the academic year or term the endorsed loan was approved for by the U.S. Department of Education. If approved with a credit appeal, a new PLUS MPN is not required. PLUS credit counseling must be completed for PLUS loans approved with an endorser or credit appeal. PLUS credit counseling may be completed at studentloans.gov.

The current interest rate for a PLUS loan is determined each June for new loans being processed for the upcoming award year, which runs from July 1 to the following June 30. The fixed interest rate will be for the life of the loan. Interest begins accruing at the time of disbursement. The government will deduct an origination (processing) fee from each PLUS loan disbursement. Refer to https://studentaid.ed.gov/sa/types/loans/interest-rates for the actual interest rate and origination fee for your PLUS loan.

A PLUS loan is made in two equal disbursements for a two-semester loan. At least one-half of the loan period must elapse before the second disbursement can be released. The PLUS loan amount will credit to the student’s Bursar account no earlier than the first day of class each semester. A disbursement funds letter is mailed to the parent’s address once funds are credited. PLUS loan funds that exceed student charges will be refunded to the parent or
student as indicated by the parent during the online application process and in coordination with the Bursar’s Office refund guidelines. A parent has the right to cancel all or any portion of the loan within 14 days of the loan crediting the student’s Bursar account. Repayment on a PLUS loan begins once the loan is fully disbursed. The first payment is due 60 days after the final disbursement. A parent may choose to defer repayment while the student for whom the parent borrowed is enrolled at least half-time and for an additional six months after the student ceases to be enrolled at least half-time. Refer to https://studentaid.ed.gov/sa/repay-loans/understand/plans for repayment plans.

**Direct Graduate PLUS Loan** – A FAFSA must be filed before TU can determine a student’s eligibility for a Direct Graduate PLUS Loan (GPLUS). To request a GPLUS loan, go to studentloans.gov, click on “Apply for a Direct PLUS Loan” and select “START Direct PLUS Loan Application for Graduate/Professional Students.”

The GPLUS loan is administered by the U.S. Department of Education and approval is based on the absence of adverse credit within the last five years, not credit worthiness. The U.S. Department of Education will run a credit check and notify the student and the Office of Student Financial Services of the credit decision. If the GPLUS loan is approved, the student may complete and sign an electronic GPLUS Master Promissory Note (MPN) at the completion of the application process or at a later date at the above website. The GPLUS MPN is similar to the Direct Unsubsidized Loan MPN including its use for multiple loans for the same borrower. The GPLUS MPN is valid for ten years and is a separate MPN from the Direct Unsubsidized Loan. If the GPLUS loan is denied and later approved with an endorser, the GPLUS MPN cannot be used for multiple GPLUS loans. A new GPLUS MPN must be completed and is only good for the academic year or term the endorsed loan was approved for by the U.S. Department of Education. If the GPLUS loan is denied and later approved with a credit appeal, a new GPLUS MPN is not required. PLUS credit counseling must be completed at studentloans.gov for GPLUS loans approved with an endorser or credit appeal.

The current interest rate for a GPLUS loan is determined each June for new loans being processed for the upcoming award year, which runs from July 1 to the following June 30. The fixed interest rate will be for the life of the loan. Interest begins accruing at the time of disbursement. The government will deduct an origination (processing) fee from each GPLUS loan disbursement. Refer to https://studentaid.ed.gov/sa/types/loans/interest-rates for the actual interest rate and origination fee for your GPLUS loan.

Prior to receiving the first GPLUS loan disbursement, the GPLUS MPN must be completed as well as entrance counseling. Entrance counseling may be completed at studentloans.gov. Note: PLUS credit counseling is not entrance counseling and does not fulfill the entrance counseling requirement for first-time graduate/law students. Therefore, it is possible a graduate/law student could complete two different counseling sessions.

A GPLUS loan is made in two equal disbursements for a two-semester loan. At least one-half of the loan period must elapse before the second disbursement can be released. The GPLUS loan will credit the student’s Bursar account no earlier than the first day of class each semester. A disbursement funds letter will be emailed to the student’s TU email address when funds credit. Loan funds that exceed student charges will be refunded to the student. A student has the right to cancel all or any portion of the loan within 14 days of the loan crediting the student’s Bursar account. Repayment on the GPLUS loan begins six months after the student ceases to be enrolled at least half-time. Exit counseling is required upon leaving the university. Refer to https://studentaid.ed.gov/sa/repay-loans/understand/plans for repayment plans.

**Private Loan** – Applicants must complete and submit a separate online loan application to apply for preapproval and initiate the loan process. A private loan is a nonfederal loan issued by a lending institution (bank or credit union) and based on credit worthiness. Interest rates will vary depending on your credit score and the usage of a co-signer. Co-signers can be used to reduce the interest rate or to help obtain a loan due to credit problems. The Office of Student Financial Services website provides a current and comprehensive list of lenders commonly used over the past three years. Go to https://admission.utulsa.edu/private-loan-lenders for this listing. A private loan application is completed electronically with the lender of your choice. Contact the lender for information regarding eligibility requirements, terms, benefits, and repayment options before applying for a private loan. Be prepared to wait a minimum of thirty days to receive a private loan. The lender will communicate with you via email or mail, requesting multiple documents as they guide you through their application process.
All loans made through the Department of Education’s federal student loan programs for a student and/or parent are submitted to the National Student Loan Data System (NSLDS) and are accessible by guarantee agencies, lenders, loan servicers, and schools determined to be authorized users of the data system.

**FSA Ombudsman**

The Ombudsman’s office is a resource for borrowers to use when other approaches to resolving student loan problems have failed. Borrowers should first attempt to resolve complaints by contacting the school, company, agency or office directly involved. If the borrower has made a reasonable effort to resolve the problem through normal processes and has not been successful he or she should contact the FSA Ombudsman.

HOW TO ACKNOWLEDGE YOUR FINANCIAL AID AWARD

Award Letter - You will be notified via your TU email account that your award letter is available to be reviewed on the TU portal. Accept or decline your award electronically.

Please note that if you want to reduce a loan you must print off your award letter, make the change and return the award letter to the Office of Student Financial Services.

Declining, fully or in part, any form of assistance (scholarship, grant, loan, Work-Study) does not automatically lead to other assistance being increased or substituted. Contact a counselor in the Office of Student Financial Services to clarify your specific situation.
VERIFICATION

A Federal Pell Grant applicant that is selected for verification can submit a valid ISIR (FAFSA) after the last day of enrollment for the 2017-2018 award year. Federal Pell Grant applicants must complete the verification process by September 22, 2018 or 120 days after the last day of the student’s enrollment, whichever is earlier.

Campus-Based and Direct loan applicants must complete verification prior to the last day of enrollment. If you have any questions concerning verification and the required documents, please contact the Office of Student Financial Services. Failing to complete verification by the deadlines will result in the loss of eligibility for federal aid funds. In the event that a student completely withdraws, verification documents must have been received prior to withdrawal in order to be considered for federal financial aid.

Effective for the 2017-2018 academic year:

Federal Verification Process
We are pleased to announce that we have established a partnership with Inceptia to expedite the federal verification process by utilizing the Verification Gateway online portal. If your FAFSA application is selected for verification by the U.S Department of Education, you will receive an introductory email to the email address you provided on the FAFSA. If no email was provided, you will receive an introductory postcard. The postcard will have our school logo along with Inceptia’s, so you will know it is official.

What Happens Next?
A custom school link will be included in the introductory communication requesting you access Verification Gateway. You will need to do the following*:

- **Confirm** your identity (authentication).
- **Create** a secure user name and password.
- **Decide** if you want to receive text messages and approve to e-sign.
- **Access** your Action List and begin the verification process (the list may consist of some combination of online forms and the request to upload specific documents to Verification Gateway).

*Dependent students that provided parental information on the FAFSA are required to have one parent also authenticate and create an account. This parent will be required to e-sign or provide an ink signature once all documentation has been submitted.

Upon receipt of all required documents, Inceptia will begin the verification process. Students will be notified if there are any questions or if any additional documentation is required via email, text or postcard. Once verification has been completed, the student and our school will be notified.

Questions
If you have any questions about the verification process, please contact Inceptia, Monday through Friday from 8:00 am – 5:00 pm Central at 888-374-8427 or by email at VGCS@inceptia.org.

UNIVERSITY SEMESTER BILLS AND PAY OPTIONS

The Bursar’s Office will issue bills beginning in July for the fall semester charges and beginning in December for the spring semester charges. Financial aid will credit the account as funding is received. Outside (non-university) awards are credited to a student’s Bursar account after checks are received by the university but not prior to the first day of class each semester. TU’s payment policy requires that arrangements for payment of term expenses be made prior to the first day of classes. During the fall and spring terms, if financial aid does not cover all expenses either payment in full or enrollment in a monthly payment plan is required. Information on the monthly payment option is available from the Bursar’s Office. Refunds of financial aid received above university charges will not be made until the student’s aid is received and the student’s costs are completely covered. A monthly finance charge of 1.5 percent is assessed for late payments. The university accepts Visa, MasterCard and Discover credit cards.
Satisfactory Academic Progress (SAP)

Federal regulations require that all recipients of federal student financial assistance make satisfactory academic progress toward a degree or eligible certificate. Students applying for assistance through the Federal Pell Grant, Federal SEOG, Federal Work Study, Teach Grant, Oklahoma Tuition Aid Grant (OTAG), Oklahoma Tuition Equalization Grant (OTEG), Oklahoma’s Promise, Federal Perkins Loan, Direct Subsidized Loan, Direct Unsubsidized Loan, Direct Parent PLUS Loan and Direct Graduate PLUS loan programs must meet THREE requirements to maintain their financial aid eligibility at TU:

1. **Qualitative**: Students must meet a required minimum cumulative grade point average.
2. **Quantitative**: Students are required to complete (pass) a minimum 67% of hours they attempt.
3. **Maximum Time Frame**: Students must complete their degree within a timely manner.

These three requirements are summarized in the following charts. Failure to meet ALL of these minimum academic standards will result in the loss of federal financial aid eligibility. Students are expected to know, based on this Satisfactory Academic Progress Policy, when they may be placed on *Financial Aid Warning, Financial Aid Suspension* or *Financial Aid Probation*. Satisfactory academic progress is reviewed at the end of each semester once grades have been posted to the academic transcript.

1. **Qualitative - Grade Point Average Requirement** - Each student must meet a required minimum cumulative grade point average to remain eligible for federal student aid.

2. **Quantitative – Satisfactory Completion of Semester Hours Requirement**: Students must also successfully complete and pass 67% of all courses they attempt. Grades of A, B, C, D, F, P, I, W and MG are all considered attempted hours. All transfer and repeat hours are included in this calculation. Courses dropped within the first 3 weeks of the semester will not be included in the calculation. Please refer to the Financial Aid Satisfactory Academic Progress Standard Charts for Undergraduate Students, Graduate Students, PhD Students and Law Students.

3. **Maximum Time Frame for Degree Completion**: Students must complete their degree program within an allotted timeframe to remain eligible for federal financial aid. The chart below indicates the timeframe in which a degree must be acquired. Be aware that hour limits are cumulative; therefore, all accepted hours from all institutions attended will be included, even if a student did not receive federal student aid. The Office of Student Financial Services recommends that students contact their academic advisor to ensure they are taking the courses necessary to complete their degree. For federal financial aid purposes grades of A, B, C, D, F, P, I, W and MG are all considered in the attempted hours. Courses dropped within the first 3 weeks of the semester will not be included in the attempted hours. All transfer and repeat hours are included in this calculation. Once students reach their maximum timeframe (150% of the published length of the program) for their specified degree, they are no longer eligible for federal student aid. If there are extenuating circumstances that prevented acceptable progress, students may request an extension of
eligibility by submitting a petition to the Office of Student Financial Services. All petitions for federal financial aid reinstatement should be received no later than the first day of class in the semester the suspension takes effect.

Repeated Coursework – Students may receive federal financial aid consideration to repeat a previously passed course once. Student may repeat failed courses until they have attained a passing grade. An “Incomplete” grade (I) that remains on the academic record at the time satisfactory academic progress is reviewed will be treated as not completed, but the attempted hours will be counted. Upon completion of the Incomplete (I) course, the grade and course will be given due credit in future consideration.

*Please note: Financial Aid Warning, Financial Aid Probation and Financial Aid Suspension are separate from Academic Probation and Academic Suspension.

Satisfactory Academic Progress (SAP) Evaluation
Satisfactory Academic Progress is evaluated at the conclusion of each academic semester after grades have been posted. All attempted and transfer hours are counted during this evaluation. Courses dropped within the first 3 weeks of the semester will not be included in the SAP evaluation.

- **Good Standing** – students that are enrolled in an eligible program, in compliance with satisfactory academic progress and receiving federal aid.
- **A Financial Aid Warning** - is given for one semester to students who do not meet both requirements 1 and 2 shown above. This is a warning status and financial aid eligibility and payment of funds will be continued throughout the warning period. Note: A warning is not given to students regarding maximum time frame, it is the student's responsibility to know how many hours they have attempted and where they stand. Students that have been placed on Financial Aid Warning may be removed from that status and return to Good Standing by meeting the completion rate and/or cumulative grade point average requirements as set forth in the Satisfactory Academic Progress Policy by the end of the Financial Aid Warning term.
- **Financial Aid Suspension** - will be required for students who fail to meet both requirements 1 and 2 after their initial Financial Aid Warning. Students cannot receive funds from the federal aid programs listed above while suspended. Students will be allowed to appeal their first suspension and if approved, will be put on Financial Aid Probation.
- **Financial Aid Probation** – is assigned to students who were on “Financial Aid Suspension”, appealed and have received an appeal approval. The status of Financial Aid Probation is given for the next period of enrollment for one final opportunity to demonstrate satisfactory academic progress. Federal financial aid is reinstated on probationary status for one payment period only, after the appeal is approved. The student will receive an approval letter along with a list of conditions that must be performed for reinstatement of federal financial aid for the upcoming semester. The student must comply with the completion and grade point average requirements by the end of the semester. After grades for the semester are posted to the student academic transcript, the Office of Student Financial Services will review the academic performance of the student to determine if the satisfactory academic progress requirements are met. If the student meets the SAP requirements at the completion of the semester, federal financial aid is continued for future semesters. If the student cannot mathematically achieve SAP standards in one payment period, an academic plan will be required.
- **Financial Aid Academic Plan** – is the status assigned to students who were on “Financial Aid Suspension”, appealed and have received an appeal approval but cannot achieve SAP standards within one payment period. Students in this category must follow an individually designed Academic Plan developed by the Academic Advisor to ensure achievement of satisfactory academic progress standards over an assigned period of time. Students remain eligible for federal aid as long as the conditions of the Academic Plan are met.
Rules are applied uniformly to all students whether or not aid has been received previously.

Financial Aid Appeal Process
A student with extenuating circumstances may appeal a Financial Aid Suspension by submitting a Financial Aid Satisfactory Academic Progress Appeal form to the Office of Student Financial Services within two weeks of the date of the letter of suspension. Appeals must explain in detail why the student failed to meet the minimum academic standards, what extenuating circumstances caused the failure and how the situation has since improved. Examples of extenuating circumstances include, but are not limited to, illness, medical issues with immediate family members or a death in the family. Personal or financial issues with family, friends, or roommates are not considered extenuating circumstances. The Financial Aid Appeals Committee will evaluate all documentation submitted and the student's appeal will be approved or denied. The results of the appeal will be emailed to the student's TU email account within approximately ten working days from the submission date. If the appeal is denied, the student is responsible for paying for their own educational costs until the student improves his/her scholastic record to meet the minimum standards of academic progress. Students who were denied due to maximum time frame are responsible for paying for their own educational costs for the remainder of their degree program.

If the appeal is approved, the student will either be:

1. Placed on Financial Aid Probation for one semester only, or
2. Placed on an Academic Plan designed for completion rate and/or cumulative grade point average improvements until the standards of the SAP policy are met, not to exceed one year from the date of the Academic Plan.

The student's approval letter will explain all requirements that must be met during his/her probationary period to continue to receive financial aid.

Removal from Financial Aid Suspension Without Appealing
To re-establish federal financial aid eligibility without completing the appeal process noted above, students must meet all the criteria listed in the Office of Student Financial Services Satisfactory Academic Progress Policy. A student on Financial Aid Suspension can re-establish eligibility by meeting the standards of the SAP Policy by achieving a completion rate of 67% and a required minimum cumulative grade point average without federal and/or state financial aid assistance.

Changing Majors
Students who change majors should contact the Office of Student Financial Services regarding how this will impact your satisfactory academic progress for federal financial aid.

Study Abroad or Consortium Classes
Any student who has completed a semester with study abroad or has a consortium agreement as a visiting student with another college or university must wait until the study abroad/visiting student grades have been submitted to TU to determine satisfactory academic progress. The student cannot receive federal financial aid for the semester following the study abroad/visiting student semester until the grades are received from the college or university in which the student was enrolled as a study abroad/visiting student and posted to the student's TU academic transcript.

If you are a Presidential Scholar with no federal financial aid, your next semester’s funds will not disburse until academic transcripts have been received from the study abroad/visiting student program. All Presidential Scholars must complete at least twelve (12) credit hours per semester with a minimum 3.25 cumulative gpa. After study abroad/visiting student grades are posted to the student’s TU academic transcript, eligibility for Presidential Scholar funding will be determined.
Changing from Undergraduate to Master’s or from Master’s to Doctoral Programs
If the student is beginning a new degree level, satisfactory academic progress begins in a clear status for the new program.

Students Who Have Been Out of Attendance for Over a Year
The University of Tulsa reviews satisfactory academic progress each payment period. If the student was not making satisfactory academic progress when last enrolled, provided it was more than a year ago, the student can be placed on Financial Aid Warning for the first payment period.

Part-Time Students
If the student receives part-time federal financial aid, the required hours completed for satisfactory academic progress will be reduced proportionately.

Transfer Hours
Transfer hours that are accepted by TU and are applied toward the student’s current program, will be included as both attempted and completed hours.

Audit Courses
Grades of audit (AU) are not counted in the total hours attempted for any semester or as successful completion of the course. Students cannot receive federal financial aid for audit courses.

Independent Courses
Independent courses may count toward successful completion of hours attempted if they are completed by the last day of the semester. For information about eligibility and payment of federal financial aid for this type of course, please contact the Office of Student Financial Services.

Leave of Absence
The academic leave of absence policy for The University of Tulsa has no bearing on Federal Financial Aid as it pertains to the withdrawal and refund process.

Student Responsibility
Students are held responsible for reading and understanding the Satisfactory Academic Progress eligibility requirements and knowing their status at the end of each semester. For questions, contact the Office of Student Financial Services at (918) 631-2526.
SPECIAL CIRCUMSTANCES

**Summer Course Work** – Summer credits earned either at TU or transferable from another institution into the student’s program may be used to meet the credit hours earned requirement. Grades do not transfer. Students are allowed to enroll at TU for summer courses to make up their deficiency.

**Transfer Students** – Financial aid satisfactory academic progress requirements for students transferring into TU will be based on all credits accepted into their program.

**Tuition Refund Policy** – Students who withdraw from courses receive refunds according to the following schedules, which are calculated from the date the application for withdrawal is received by the advising office of the student’s program. Non-attendance of classes does not constitute official withdrawal. Federal financial aid recipients withdrawing completely will have their Title IV aid returned to the proper aid accounts as determined by the Office of Student Financial Services pursuant to federal guidelines.

**Study Abroad Information** - Enrollment in a study abroad program, approved for credit by TU, will have enrollment at TU for purposes of applying for federal financial aid. TU will be considered the home school and will be responsible for processing federal financial aid. Note: If the student will be applying for Tuition Benefit, only one term of a study abroad program is covered by Tuition Benefit.

The Center for Global Education (CGE) Study Abroad Budget form submitted by CGE to the Office of Student Financial Services will be reviewed by the student’s financial aid counselor. The figures provided on this form are considered to be estimated pending final review of the student’s study abroad cost of attendance (budget) by the financial aid counselor.

Disbursement of student loans will credit the student’s account in the Bursar’s Office no earlier than 10 calendar days prior to the first day of class of the study abroad program.

Please contact the Office of Student Financial Services to inquire about the forms required to apply for federal financial aid for a study abroad program and to learn how it will affect the next semester’s federal financial aid when you return to TU. Future federal financial aid of all study abroad students will not be released until the grades from the study abroad program are received and posted to the student’s TU academic transcript. TU reviews the student’s Satisfactory Academic Progress (SAP) every semester which is why study abroad grades must be posted to the student’s TU academic transcript before future federal financial aid can be released. This is an effort to remain in compliance with regulations associated with federal financial aid.

If you are a Presidential Scholar with no federal financial aid, your next semester’s funds will not disburse until academic transcripts have been received from the study abroad program. All Presidential Scholars must complete at least twelve (12) credit hours per semester with a minimum 3.25 cumulative gpa. After study abroad grades are posted to the student’s TU academic transcript, eligibility for Presidential Scholar funding will be determined.

**Visiting Student Information** - Enrollment in a visiting student program, approved for credit by TU, will have enrollment at TU for purposes of applying for federal financial aid. TU will be considered the home school and will be responsible for processing federal financial aid. The student cannot receive federal financial aid from the institution in which the student is enrolled as a visiting student.

Disbursement of student loans will credit the student’s account in the Bursar’s Office no earlier than 10 calendar days prior to the first day of class of the visiting student program.

Please contact the Office of Student Financial Services to inquire about the forms required to apply for federal financial aid for a visiting student program and to learn how it will affect the next semester’s federal financial aid when you return to TU. Future federal financial aid of all visiting students will not be released until the grades from the visiting student program are received and posted to the student’s TU academic transcript. TU reviews the student’s Satisfactory Academic Progress (SAP) every semester which is why visiting student grades must be posted
to the student’s TU academic transcript before future federal financial aid can be released. This is an effort to remain in compliance with regulations associated with federal financial aid.

If you are a Presidential Scholar with no federal financial aid, your next semester’s funds will not disburse until academic transcripts have been received from the study abroad program. All Presidential Scholars must complete at least twelve (12) credit hours per semester with a minimum 3.25 cumulative GPA. After visiting student grades are posted to the student’s TU academic transcript, eligibility for Presidential Scholar funding will be determined.

Withdrawal Policy – TU’s refund policy refers to the amount owed by a student for various categories of university charges when a student withdraws, drops out or is expelled within a given time frame of a term. The withdrawal policy may change without notice. Students withdrawing during a term at TU will receive a refund based on the following calculations.

Return of Title IV Funds – Federal financial aid recipients withdrawing from all classes during a semester will have their Title IV funds returned to the federal programs according to federal guidelines. TU will first determine the percentage of the semester the student completed. The percentage completed will be the number of days attended divided by the number of days in the semester. If the percentage completed is 60% or less, the return of funds calculation will be used.

If the student has completed 60% or less of the semester, TU will apply the calculated completed percentage to the total awarded Title IV aid for which the student established eligibility before withdrawing. This calculation will be earned aid. The earned aid will be subtracted from the total disbursed aid to determine the amount of unearned aid to be returned to the federal Title IV funds, TU will return the unearned aid to the Title IV programs.

Title IV Return of Funds Distribution Policy – For all students receiving federal Title IV funds, returns are distributed back to the programs in the following order up to the full amount received from each program for the term.
